

NEPTUNE FESTIVAL ART & CRAFT SHOW

DRIVE-ON PROGRAM SHIFTS & INITIAL INSTRUCTIONS

This is a tightly orchestrated program to get you onto the boardwalk and to your booth space as efficiently and safely as possible for offloading. It is your only chance to do this--no way to get into an earlier or later shift. Please do not arrive more than 90 minutes before your shift is to leave the parking lot for the boardwalk or congestion will be a serious problem.

Directions: (You might want to GPS "Dana Lane" in Virginia Beach.) From Birdneck Rd., turn east onto 19th St., then right onto Dana Lane. Come to the last right turn into South Lot 5 and you will see our tent for registration. Register quickly. You will receive instructions so you will leave in perfect order by space number. Listen for cues to exit the lot.

If you miss your shift, your artist packet will be taken to our boardwalk registration tent at 24th St.

.....

1st Shift, Yellow Permit (Spaces 2801-3030) Register 12:00 - 12:45 so you can line up and drive off no later than 1:00. You will receive instruction and important permits.
